Based on Daniel 3

Slashes in lyrics indicate two-count boundaries; “_” indicates a rest

M1, 0:00: Intro

M13, 0:24: Verse 1:

/ Nebuchadnezzar was a / nasty ol’ king
/ Conquering and plundering / everything.
But / he got more than he / bargained for //
In / Daniel and / his three friends—
// _that makes / four. ///

M21, 0:40: Verse 2:

See, ol’ / Neb made a statue / 90 feet tall,
Then he / hired a band with / harps and all,
And / told the governors from / all around, /
“When the / music / plays, you / worship my / statue,
_your / face to the / ground. ///

M29, 0:56: Verse 3:

’Cause / if you don’t,” ol’ / Nebby said,
You’ll / find that you will / end up dead!
You’ll be / tossed into a / fire so hot, //
You’ll be / burned to a crisp, / _and even your / name
will be for- / got. ///

M37, 1:12: Chorus 1:

/ Daniel’s friends, I’m / sure you know, // (echo)
Were / Shadrach, Meshach, A- / bednego. // (echo)
They / knew that they’d do / no such thing
As / bow to the idol of / Nebby the king.
Re- / gardless of the / trouble brewin’,
/ They all knew what / they was doin’:
No / matter the danger, / fire, or sword,
/// They was al- / ready com- / pletely on / fire for the / Lord. /// ////

M53, 1:44: Verse 4:

Some / people of the / jealous type
/ Called King Nebby and / had this gripe:
“You / know those Hebrew / boys you hired? //
_They won’t / bow down, / so it may be / time / _that they got / fired. . . ///

M61, 2:00: Verse 5:

“When- / ever you strike / up the band,
/ People bow through- / out the land,
To the / idol you set / up, O King, //
_Ex- / cept these / Hebrew kids / and, / well, see, that’s the / thing.” ///

M69, 2:16: Verse 6:

Well, / Nebby was en- / raged, of course,
But he / wanted to hear straight / from the source,
So / he said, “Hey, boys, / is it true //
_That / bowing down to my / idol is something / you / _just won’t / do?” ///

M77, 2:32: Chorus 2:

They / said, “With all re- / spect, O King, // (echo)
/ No, we cannot / do this thing. // (echo)
We / know you think we / got some nerve,
But the / God of Abra- / ham we serve,
And / by the power of / His great Name,
He / can protect us / from the flame,
But / if He doesn’t, it’s / time you knew: //
We / won’t bow down to your / idol, / so, uh, / do what you gotta / do.” /// ////

M93, 3:04: Verse 7:

Well, / Nebby, he got / real provoked,
And / so he had the / fire stoked
/ Up to seven / times as hot, //
_And he thought, / _“Will these kids sur- / vive? / (heh!) / I think / not!” ///

M101, 3:20: Verse 8:

The / Hebrews’ hands and / feet were tied,
Then / soldiers took ’em / for a ride.
A / minute later, his / men were toast, / and / Nebby said,
“And / that _is the / end of / that.” / (*heh*) / Well, al- / most. //

M109, 3:36: Verse 9:

Then / Nebuchadnezzar / sprang to his feet,
Looked / into the incan- / descent heat,
“We / threw in just three / guys—no more,” //
“But / what on earth is / this?” he cried, // “_I now see / four!” ///

M117, 3:52: Verse 10:

When we / threw 'em in, three / guys fell down,
But / now there's four, up and / walking around!”
And / then he said, voice / hushed and awed, //
“And that / other dude in there / with 'em
/ _looks like the Son of / G-G-G-G- / God!” ///

M125, 4:08: Verse 11:

The / king called out the / Hebrew guys
And / said, “I can't be- / lieve my eyes!”
In / spite of all the / fire's heat, //
_You guys are / fine, there's / not even a / blister on your / feet!”

M133, 4:24: Chorus 3:

So / Shadrach, Meshach, and A- / bednego, // (echo)
They / didn't say, “I / told ya so!” // (echo)
But / stood there humbly, / didn't gloat,
And / watched the Lord rock / Nebby's boat.
He / said, “Your God's the / real McCoy!
I've / seen some power, but / boy, oh, boy!
The / *real* King is the / God of the Jews, //
And if / anyone says / different, / (bzzz!) / _brother, you / lose! /// ////

M149, 4:56: Chorus 4:

What / can we learn from / this today? // (echo)
What / is this story's / takeaway? // (echo)
It / should be obvi- / ous to most
That / when you're tight with the / Holy Ghost,
There / is no safer / place for you,
Than / doin' what He / wants you to.
If / someone is al- / ready on fire,
/ What / happens if he's / thrown into the / fire? // Nothin'! //// //// ///
