

The Wave is Coming

(Time Signature, Tempo: 4/4 @ 165bpm ≈ 41mpm)

Slashes in lyrics indicate measure boundaries; “_” indicates a rest

M1, 0:00: Intro

M19, 0:26: Verse 1:

/ Making my way / down to the beach,
I got my / surfboard under my / arm,
The / sun is bright, and the / surf is good,
and the / weather is nice and / warm.
/ _Today the waves should be / cranking good,
I'm getting / amped for what's in / store;
I / waxed my board, and I'm / itchin' to go;
I've been / way too long on the / shore! /

M36, 0:51: Chorus 1:

'Cause the / _wave is / coming!
The / wave is / coming!
I'm gonna / catch the wave and / shoot the curls,
It's / gonna be an epic / ride!
'Cause the / _wave is / coming!
The / wave is / coming!
I'm gonna / take the drop, ride it / out to the end,
I'm gonna / do it and I won't be de- / nied, /
'Cause the / _wa / ve is / coming! /

M57, 1:22: Verse 2:

I / paddled my way / out to sea, then / I turned around to / wait,
I / yelled to my friend, “Pay at- / tention, brah,
and / I will demon- / strate
How to / ride a wave of / awesome power with / elegance and / grace!”
He / laughed and yelled, “I can't / wait to see
the best / surfer of the human / race!”

M74, 1:46: Verse 3:

It / turns out we didn't have to / wait real long,
the / waves were stackin' / nice,
A / beautiful bomb was coming / on real fast,
and I / went without thinking / twice.
It / lifted me up, and I / dropped right in
and I was / charging in nothing / flat,
/ Riding the tube for what / seemed like days,
/ nothing can compare to / that!

M91, 2:10: Chorus 2

'Cause the / _wave is / coming! (wah wah-ooo)
The / wave is / coming! (wah wah wah-ooo)
I'm gonna / catch the wave and / shoot the curls,
It's / gonna be an epic / ride! (ooh-ooh-ooh-ooh)
'Cause the / _wave is / coming! (wah wah-ooo)
The / wave is / coming! (wah wah wah-ooo)
I'm gonna / take the drop, ride it / out to the end,
I'm gonna / do it and I won't be de- / nied, / (oooh)
'Cause the / _wa / ve is / coming! /

M112, 2:42: Bridge

/ Back on beach, I was / seriously stoked:
/ Man, oh, man, what a / ride!
/ I must say, if I'd been / wearing any buttons,
I'd have / busted them with / pride!
Then I / heard the voice of the / Lord in my heart:
"You're / right, that was pretty / good.
You were / in the barrel, and you / didn't wipe out,
And you / did all the tricks you / could."

But / then I felt the ex- / citement of the Lord—
I'd never / felt Him that way be- / fore—
Then He / said, "But if you want a spec- / tacular ride,
in the / Spirit, there is always more!
My / Spirit's about to / roll right across
this / nation, and all the / world,
My / banner of love and / holiness
Is a- / bout to be un- / furled!" /

M146, 3:30: Verse 4:

He / said that He is / pouring out His Spirit
in an / unprecedented / way—
He is / welcoming home all the / prodigals
who / long ago went / astray!
His / people are choosing to / humble themselves,
re- / pent of their sin and / pray,
So in / turn, God's coming to / heal the land
and put His / Presence in these jars of / clay! /

M163, 3:57: Verse 5:

He's / sending out waves of / love and power,
restor- / ation and holi- / ness,
He's / bringing health to / those with sickness,
and / liberty to those op- / pressed!
The / glory of the Lord will / fill the earth,
and be- / gin a brand-new / day!
He said the / fullness of time has / finally come,
and there'll / be no more de- / lay! /

M180, 4:21: Chorus 3:

He said the / _wave is / coming! (wah wah-ooo)
The / wave is / coming! (wah wah wah-ooo)
I'm gonna / watch Him heal, de- / liver, and save,
And His / power go far and / wide (ooh-ooh-ooh-ooh)
The Spirit's / _wave is / coming! (wah wah-ooo)
The / wave is / coming! (wah wah wah-ooo)
I'm gonna / serve the Lord, no / matter the cost,
I'm gonna / do it and I won't be de- / nied, / (ooh)
'Cause the / _wa / ve is / coming! /
